(WCPS) (License #80202), 2200 Highway 121, Bedford, TX 76021 and the Provider, Technology Insurance Company (License #03605) 59 Maiden Lane, 6<sup>th</sup> Floor, New York, New York, 10038, and you, the purchaser.

**To validate this Plan and receive the complete terms and conditions for this Plan, visit our web site at [www.myrepairmaster.com](http://www.myrepairmaster.com). Registrations must be received within 10 days of product purchase to validate this Plan and to ensure coverage. A copy of your proof of product purchase may be required at the time of service.** The administrator cannot register your product for this Plan if you do not complete the registration. The administrator reserves the right to reject a registration and will refund the purchase price through the retailer.

Please keep this document in a safe place along with the sales receipt you received when you purchased your product. The sales receipt may be required at the time of service. It will serve as a valuable reference guide and will help you determine what is covered by the Plan. As the Administrator, WCPS will assist you in understanding your warranty and Plan benefits from the day you purchased your Plan.

**PRODUCT ELIGIBILITY**

The protection offered under this Plan is among the most dependable and comprehensive available, offering coverage above and beyond that offered by the manufacturer. This Plan covers products purchased as new or factory-refurbished and manufactured for use in the United States, which at the time of purchase included a manufacturer's original or factory-refurbished warranty valid in the United States. In order to be eligible for a Plan, the manufacturer's original or factory-refurbished warranty must provide at least 90 days parts and labor coverage. This Plan provides for the repair or replacement of your product to its standard operating condition if the product fails to perform its intended functions due to normal wear and tear or a defect in either materials or workmanship, unless otherwise stated in the Exclusions from Coverage section of this document. Coverage only applies to products used non-commercially. Accessories and/or add-on options purchased separately and not essential to the basic function of the covered product are not eligible for coverage. There is no deductible under this Plan. This Plan is not transferable.

**COVERAGE**

This Plan includes Accidental Damage from Handling (ADH) which provides coverage to return your covered product to working order following sudden and unforeseen accidental damage such as: a liquid spill into the keyboard or into the computer chassis; impacts or collisions with another object or a solid surface if accidentally dropped; power surges (when the system is connected to ac power through a UL-approved surge protection device); accidental cracking or damage to the LCD screen; and other similar accidental causes. The ADH segment of your coverage begins on the date of product purchase and continues for the term on the front of this package. Breakdown coverage begins upon expiration of the shortest portion of the manufacturer's original or factory-refurbished parts and labor warranty.

This Plan is inclusive of the manufacturer's warranty; it does not replace the manufacturer's warranty but may provide certain benefits during the term of the manufacturer's warranty. Actual service coverage under this Plan begins upon expiration of the shortest portion of the manufacturer's original or factory-refurbished parts and/or labor warranty. During the manufacturer's warranty period, any parts, labor, on-site service or shipping costs covered by that warranty are the sole responsibility of the manufacturer. After each portion or all of the manufacturer's warranty expires, this Plan will furnish replacement parts and/or labor necessary to restore your covered product to standard manufacturer's operating condition. If service is required because of a product failure during normal usage, the Administrator has the option to repair the defective product or replace it with a product of equal or similar features and functionality, though not necessarily the same brand. A replacement part or product may be new or refurbished.

Technological advances may result in a replacement product with a lower selling price than the original product. No refunds will be made based on the replacement product cost difference. The most we will pay on any single repair to your covered product or its replacement is the price you paid for the original product, excluding taxes. If we replace the covered product in its entirety, our maximum liability has been met under this contract and there will no longer be coverage under the terms of this contract. Replacement products will include a manufacturer's warranty and the retailer has the option to offer an additional extended service contract on the replacement product. If the covered product is not repairable and a replacement product is not available, we will refund up to the product purchase price, excluding taxes, and this contract will be fulfilled and all obligations satisfied. Should repair parts become unavailable because a manufacturer has gone out of business, if a manufacturer no longer provides product support or all parts sources have been exhausted during the coverage period of this Plan, the Obligor and the Administrator shall be excused from performance hereunder and you shall receive a full refund of the purchase price paid by you for the Plan less claims paid, if any. Replacement products may be new or rebuilt products. In no event shall the Obligor or Administrator be liable for any damages as a result of the unavailability of repair parts. In no event shall the obligation to administer claims extend beyond the term of coverage commencing upon the date of product purchase. You may be required to ship or deliver the defective product prior to receiving reimbursement or a replacement product. The Administrator and Insurance Company own all parts removed from repaired products or complete units replaced in their entirety. If it is determined the problem is not covered under the terms of the Plan or there is a "no problem found" diagnosis, you will be responsible for any related charges to the service center.

### **SERVICE LOCATION**

**Carry-In Service:** If your Plan provides carry-in service and your covered product needs repair, call 1-800-292-7726 to arrange service. While most products can be repaired locally, some products, due to their sensitive, technical nature, require the controlled environment of a factory authorized service center; therefore, a local repair facility may not be available. You are responsible for transporting your product to the designated service center. The product may be carried into or shipped (postage pre-paid and insured) to the designated service center. The product will be returned to you at no additional cost, if an authorized service is performed.

### **IF YOUR PRODUCT NEEDS REPAIR**

- If your covered product needs repair or replacement for mechanical or electrical failures, you are required to call 1-800-292-7726 (available 24 hours a day) to obtain authorization prior to having repairs made. For on-line service or web chat, log onto WCPSONline.com. For faster service, please have your dated proof of product purchase (sales receipt) available when you place the call. If the covered equipment is still covered by the manufacturer's warranty, you may be directed to call the manufacturer prior to being referred to a service center. All repairs must be approved before they are performed. We will not reimburse you for repairs performed without prior approval or performed by unauthorized servicers or others.
- Do not return the covered product to your retailer unless so instructed by the Administrator.
- When you receive authorization for repairs, the service representative will direct you to a designated service center. A copy of the proof of product purchase (sales receipt), and a brief written description of the problem must accompany the product. We will not be liable for freight charges or damage due to improper packaging.
- If your Plan expires during the time of an approved repair or replacement, this Plan is extended until the repair or replacement has been completed.
- If your product is covered under another valid service contract and/or insurance policy, this Plan will provide coverage over and above the other service contract and/or insurance policy.

- While we try to complete service as quick as possible, we are not responsible for delays caused by factors beyond our control, including but not limited to manufacturer's delays, shipment to a service facility or acts of God.
